Other Mortgages	<p>Buy to Let Property</p> <p>In order for the lender not to take a Buy to Let property as a deduction, they require confirmation that the gross rent covers the current mortgage payment. If there is a shortfall it must be added as a cost in the affordability calculation.</p>
Plans	<p>Plans should be to scale or have the room sizes clearly marked on them to allow the valuer to give an estimated final value. Where available, elevation of the proposed property should also be submitted</p>
Planning Permission	<p>Outline Planning Permission is required to purchase the plot/property. This should have at least twelve months remaining.</p> <p>Detailed Planning Permission is required before any further funds can be released towards your build. If you are planning a renovation and planning permission is not required, the lender will require a letter from the local authority confirming this.</p>
Building Regulations	<p>Building Regulations/Building Warrant required before any funding can be released towards your build</p>
Build Costs	<p>We will require detailed project costings which will need to be completed on our project costings form. On receipt of the project costings, plans and planning permission, we will refer the details to our Building Support Team to prepare an Eval. This is to sign off your costs to ensure that all factors and costs of the build have been taken into account, making sure no costs of the build has been overlooked. The costs will then be presented in a format acceptable to the lender. At this stage we will also produce a 'Cashflow' which details the release of funds at each stage during the build. A minimum of 5% of the loan agreed will be retained by the lender until final completion of the project</p>
Site Insurance	<p>As a condition of your mortgage you are required to have site insurance in place before any funding can be released. The policy should provide:</p> <ul style="list-style-type: none"> • £5 million Public Liability • £10 million Employers Liability • Contract Works (for the re-instatement value) • Cover for any existing structure
Stage Release Certification	<p>West Bromwich Building Society need to be noted on the policy as mortgagee. Certification will be required at each stage of your project and can be provided by a Structural Warranty inspector e.g. Self Build Zone or by a suitably qualified consultant e.g. Architect</p> <p>The approved inspector/company must also carry the appropriate Professional Indemnity cover of £1m per claim with a minimum aggregate limit of £15m pa. They should also have cover against personal injury of an aggregate limit of £5m per claim.</p> <p>The lender will require a copy of the professional's indemnity cover.</p> <p>Your professional consultant must remain liable for a period of 6 years for the work once signed off</p> <p>If you decide against using a structural warranty provider and use an Consultant certification, the lender also requires Technical Audits at each building stage to support the Architects sign off. These must be carried out by a member of the CIC (arranged via Buildloan) at a cost of £200 + VAT per stage</p>
Solicitor	<p>A solicitor will be required in all instances to carry out the searches and submit the Certificate of Title.</p>
