Plans

Plans should be to scale or have the room sizes clearly marked on them to allow the valuer to give an estimated final value. Where available, elevation of the proposed property should also be submitted

Planning Permission

Outline Planning Permission is required to purchase the plot/property. This should have at least twelve months remaining.

Detailed Planning Permission is required before any further funds can be released towards your build.

If you are planning a renovation and planning permission is not required, the lender will require a letter from the local authority confirming this.

Building Regulations

Building Regulations/Building Warrant required before any funding can be released towards your build

Build Costs

We will require detailed project costings which will need to be completed on our project costings form.

On receipt of the project costings, plans and planning permission, we will refer the details to our Building Support Team to prepare an Eval. This is to sign off your costs to ensure that all factors and costs of the build have been taken into account, making sure no costs of the build has been overlooked. The costs will then be presented in a format acceptable to the lender

At this stage we will also produce a 'Cashflow' which details the release of funds at each stage during the build. A minimum of 5% of the loan agreed will be retained by the lender until final completion of the project

Site Insurance

As a condition of your mortgage you are required to have site insurance in place before any funding can be released.

The policy should provide:

- £5 million Public Liability
- £10 million Employers Liability
- Contract Works (for the re-instatement value)
- Cover for any existing structure

Tipton & Coseley Building Society need to be noted on the policy as mortgagee.

Stage Release Certification

Certification will be required at each stage of your project and can be provided by a Structural Warranty inspector e.g. Self Build Zone or by a suitably qualified consultant e.g. Architect

The approved inspector/company must also carry the appropriate Professional Indemnity cover of £1m per claim with a minimum aggregate limit of £15m pa. They should also have cover against personal injury of an aggregate limit of £5m per claim.

The lender will require a copy of the professional's indemnity cover.

Your professional consultant must remain liable for a period of 6 years for the work once signed off

If you decide against using a structural warranty provider and use an Consultant certification, the lender also requires Technical Audits at each building stage to support the Architects sign off. These must be carried out by a member of the CIC (arranged via BuildStore) at a cost of £200 + VAT per stage.

Solicitor

A solicitor will be required in all instances (including if the client already owns the land/property) to carry out searches and submit the Certificate of Title.

All solicitors used by the client(s) will need to be on Tipton & Coseley Building Society Solicitor Panel.

Solicitors can request to join the panel by following instructions on www.lms.com/lenderpanels
